

PRIVACY POLICY

Compliant with the current Data Protection Act 1998 and tailored to comply with the General Data Protection Regulation coming into force on 25th May 2018

Introduction

This privacy policy covers your usage of and interactions with this website. This policy together with our terms of use sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it. By visiting our website you are accepting and consenting to the practices described in this policy.

The data controller responsible for this website is Jason Bray. If you have any questions in relation to our use of your details, email us on info@everythinghospitality.co.uk or write to us at Unit1b Spinnaker Court, Hampton Wick, KT1 4ER

Data we collect

The legal basis for our processing of your data with respect to this enquiry will be 'consent'. We may elect to contact you about opportunities not related to this enquiry in which case the legal basis will be 'legitimate interest'. When submitting a form on this website, the submitted data is sent to us. Access to data we collect is limited to the members of our staff who require that data to perform their duties.

Data Retention

Personal data will be retained for a minimum period of 6 months and a maximum period of 6 years unless applicable legal requirements in force at the time dictate otherwise. Similarly the data subject has the right to deletion of their personal data which will be carried out within 48hrs of acknowledgment of the request, unless prevented by legal requirement in which case the personal data will be made inaccessible for the purpose of marketing or sales.

Data Security

We employ process and technology to secure your personal data. Specifically, but not exclusively, we employ techniques such as strong access control, encryption at rest and in transit, 24x7 security monitoring of IT systems for unusual behaviour with a comprehensive audit trail, cyber security training on data protection including email phishing, USB bating and social engineering, real-time continuous penetration testing and vulnerability management and anti-ransomware software. Our company processes have been updated to reflect the new focus on data protection and disciplinary procedures for breach of these process are included in the company handbook.

Access to and sharing of data

In addition to any circumstances described below, we may share any data we collect if we are required to share data with the legal authorities to fulfil our obligations under the law of England and Wales. If we wish to access or share your data in any way not described in this privacy policy, we will contact you beforehand and only proceed with your explicit consent.

Data collected by third parties
